| 4 | 3rd and goal at the B5 yard line. With the score B-21 and A-20 and the clock is stopped due to an incomplete pass with three seconds remaining in the game. Quarterback A12 throws a legal forward pass into the end zone toward eligible receiver A88. The pass is intercepted by cornerback B28 who runs to his 25 yard line where he is tackled. Following the interception and during the run by B28, there is clipping in the end zone by linebacker B73. Time expires during the run. | 3-3-4(b)(5) | {b} | 1) A period shall not be extended by an untimed down if during the last timed down of the period, there was a foul by either team and the penalty is accepted for fouls for which enforcement, by rule, result in a safety. The requirement was met. Note if this occurs at the end of period one or three, the period is not extended and the teams will change ends of the field and Team B will kick from the B20 yard line. |
| | a) Decline the penalty against B73 for clipping, the game is over and final score is A20 and B-21. | | | |

| 5 | 4th and 15 at the A30 yard line. Punter K10 is in scrimmage kick formation. K10 realizes he is about to be tackled and scrambles to his right and successfully gets off the punt downfield. Just as the punt is in flight and untouched by any Team R player, lineman R63 tackles K10 to the ground. R30 catches the ball at the B20 yard line and returns for five yards to the B25 yard line and is tackled. | 9-4-5(a) | {a} | 1) Running into or roughing the kicker or holder. A defensive player shall neither run into the kicker nor holder, which is contact that displaces the kicker or holder without roughing; not block, tackle or charge into the kicker of a scrimmage kick, or the place-kick holder, other than when contact is unavoidable because it is not reasonably certain that a kick will be made. The requirement was met. Note only roughing; never running into, the kicker carries an automatic first down. Second note, the defensive team does not have a license to crush a kicker under any circumstance; discretion of the referee is allowed to determine if any roughing could have been avoided. |
